Return Traffic Signs, Police Chief Requests

Police Chief Jack Wells and Public Works Superintendent Tod Mapleshorpe are asking parents to cooperate in the return of traffic signs that have been stolen around the community.

"There has been a lot of theft of these various devices," Chief Wells said. "If any parents have noticed their youngsters bringing them home to put in their bedrooms or recreation rooms, the public works department would appreciate their return."

"There will be no prosecution or publicity connected with the return of these signs and traffic devices," the Chief added. "The signs are very expensive, not only in their purchase, but in their erection,

maintenance and engineering."

"This is a plea to parents who might think these are just petty acts of pranksterism," the Chief said. "But at the present cost, these are more than pranks, they are acts of thievery."

"Again," Chief Wells said, "We'd like to say that this is a plea for the return of these signs to the public works department. No questions asked."

Fire

Thirty Antioch firefighters responded quickly Sunday afternoon and put out a house fire in less than a half hour.

The fire had started in a vacant home, owned by Betty Mortenson of Antioch, at the corner of Turner Drive and Crest Lane.

Fire Chief Tod Mapleshorpe said that smoke and fire damage probably could be estimated at about \$10,000. The state fire marshal's office is investigating the cause of the blaze, which began in the kitchen.

Village Hires New Public Works Chief

An Antioch man, Walter Shepard, was hired by the village board Monday night as superintendent of public works.

Shepard was selected from among five applicants. He presently works for the state highway department. His salary will be \$16,500 a year.

Tod Mapleshorpe will turn over the post to Shepard on Nov. 1. Mapleshorpe will continue as

Antioch's fire chief and superintendent of water and sewers.

LEAF BURNING will be allowed in the village this fall. The board voted 3-2 Monday night to amend the ordinance that prohibited the practice last year.

No burning will be allowed on asphalt or blacktop surfaces, however. Some residents had

requested that burning be permitted because of problems in disposing of leaves.

A NEW POLICE squad car is being purchased from Teresi Chevrolet for \$3,253. The bid was accepted on a 1974 Bel Air four-door sedan.

Com Ed Asks For Increase

Seeking to overcome increasing costs that are cutting deeper into revenues, Commonwealth Edison Company has asked the Illinois Commerce Commission for emergency rate relief through an interim increase of 7.3 per cent in electricity charges.

In revised rate schedules filed with the Commission, the electric company also requested a subsequent increase of 8.3 per cent to take effect following completion of hearings.

Thomas G. Ayers, Edison chairman and president, said the 7.3 per cent increase is needed immediately to raise the

utility's return on plant investment to a level authorized by the Commission in rate proceedings concluded earlier this year. It would provide additional revenues of about \$113 million a year, but leave a net gain of only \$52 million after federal, state and local taxes.

About \$128 million of annual revenues, diminished to \$59 million by taxes, would be derived from the second phase of the proposed increase. The estimates are based on Edison sales in the 12-month period ended last June 30.

The increases are urgently needed, said Ayers, to give the company a sound financial base for carrying on its huge construction program and assuring its 2.7 million customers of

continuing service reliability.

"Since we last requested rate relief 17 months ago, our costs have gone up at a rate far exceeding advances in revenues," Ayers said. "The rate revisions authorized last April have failed to produce the 8.27 per cent return on plant investment which the Commission indicated was then appropriate. While our return this year will be about 6½ per cent, we are paying well over 10 per cent for new funds."

Rising costs affecting the company's business have caused a deterioration in company earnings, he added, with damaging consequences to marketability of securities and the coverage of interest charges.

Tree Planting Project Begins

The planting of trees in Antioch's business district began Monday when workers began cutting 36 holes in the sidewalks.

Honey locust trees will be planted in the holes during the last two weeks of October and the first two weeks of November. About 63 trees will be planted by mid-November.

Village officials are helping the Chamber of Commerce beautification committee deter-

mine the sites of the trees.

Persons interested in contributing to the project, at the rate of \$125 a tree, can contact the Chamber of Commerce office on weekday mornings. The

number is 395-3381.

Mike Warren, chairman of the beautification committee said that more than \$5,000 already has been contributed to the project.

New Youth Agency

Lake County Youth in trouble with the law have a new friend: The Lake County Youth Service Bureau.

The Bureau has been funded by an Illinois Law Enforcement Commission Grant and formed through the cooperative efforts of Jack Hoogasian, State's Attorney, County Sheriff "Pat" Clavey, Judge Hartel, representing the judicial branch, and the Lake County Board, as represented by Millicent Berliant, Law and Judicial Committee.

They pointed out that the arrested juvenile in Lake County is too often referred to court, or back to his home, without any therapeutic or rehabilitative transition.

The Officials said the Youth Service Bureau of Lake County will bear down on three problem areas: 1) overuse of the county courts; 2) the juvenile justice system and "its often cumbersome and ineffective involvement with youthful offenders" and; 3) lack of coordination and availability of services.

Rebekah Lodge

Mrs. Wayne Jones, Noble Grand, presided over the Oct. 2 meeting of the Lakeside Rebekah Lodge. New members Mr. and Mrs. James Aldrich from Round Lake, Mrs. Valerie Talbert of Trevor and Mrs. Vivian Hurley of Antioch were welcomed into the lodge.

Visitors from Libertyville, Waukegan and Sheridan Lodges were on hand to help with the welcoming festivities.

Refreshments were served by Mrs. Ralph Fields and Mrs. John Hagen.

The next meeting will be On Oct. 16 at 8 p.m.

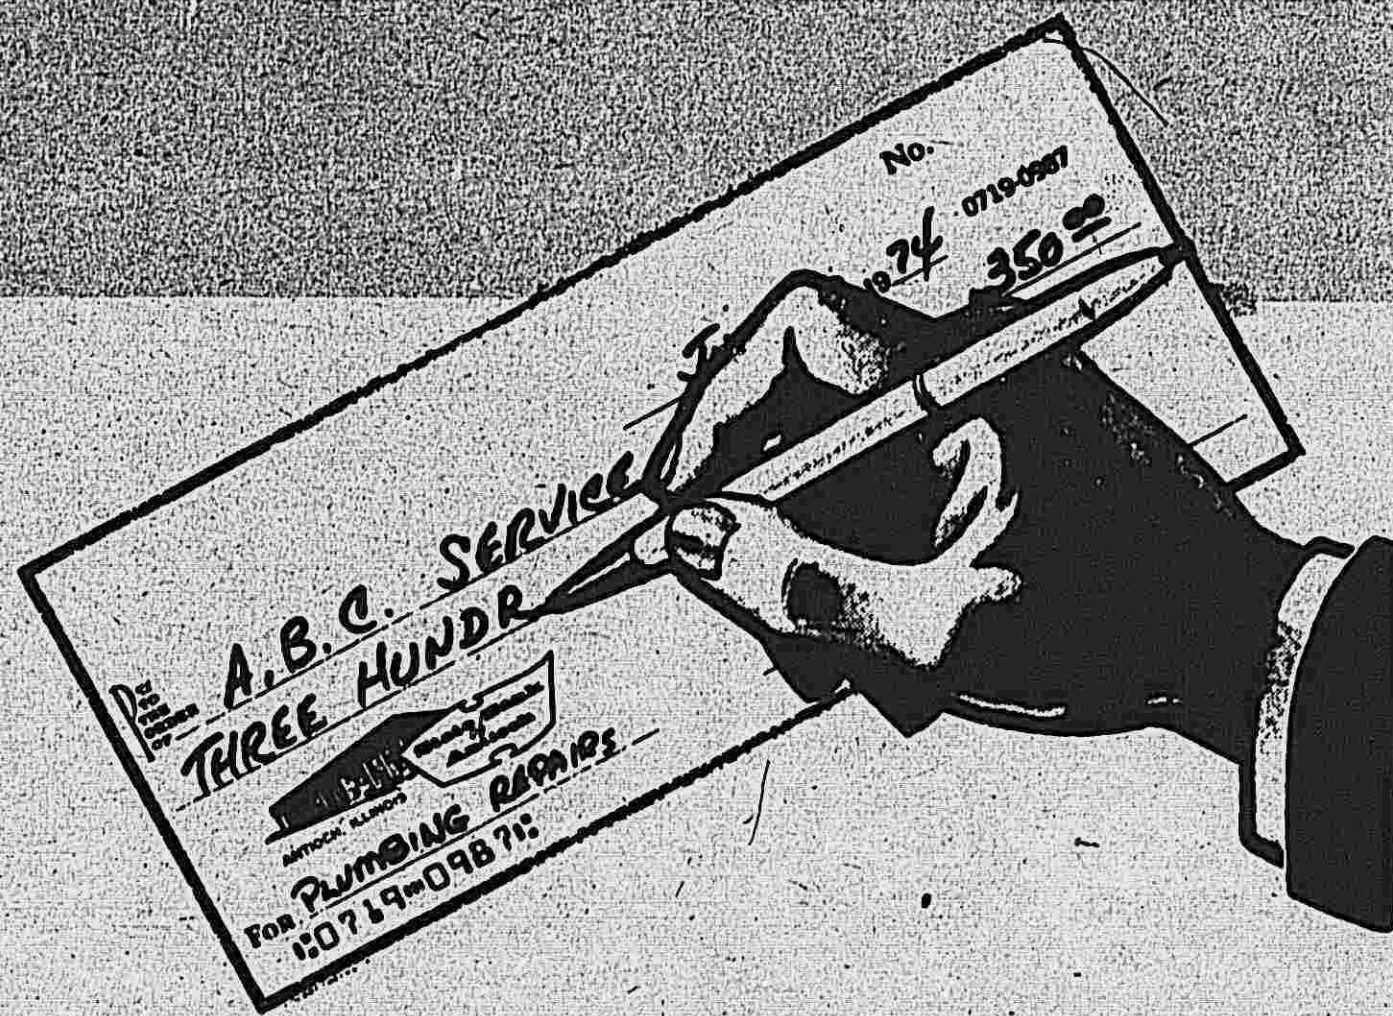

Business Urged To Be Active In Bicentennial

There is a prominent and legitimate role in the Bicentennial for America's business community, according to John W. Warner, administrator, American Revolution Bicentennial Administration.

Mr. Warner said, "The private sector has not only a responsibility but an obligation to take part in the national observance to show respect and appreciation for what has happened in our country over the last 200 years."

He called on the private sector to follow the high example set by the American people in their Bicentennial activities.

Alertness, Balance, and Care are the ABC's of Avoiding Falls.

THE BARRY GOLDWATER COLUMN

Cuban Government Works Against US

By SENATOR BARRY GOLDWATER

If there is one thing that should be left entirely in the hands of the President and the secretary of state, especially in these days of world turmoil, it is the whole question of foreign relations.

This was illustrated recently by a self-arranged trip to Communist Cuba by Senators Jacob Javits of New York and Claiborne Pell of Rhode Island.

The senators carried no message from President Ford or Secretary of State Henry Kissinger, but the mere fact that they are both prominent members of the Senate Foreign Relations Committee carried an unfortunate inference.

ACTUALLY, THEY managed to embarrass the United States and play willing pawns for a stratagem devised by Castro himself.

Senators Javits and Pell met with Cuban Foreign Minister Raul Roa on Sept. 28 and immediately told reporters they hoped for an eventual "normalization of U.S.-Cuban relations." But at the same time Prime Minister Castro was delivering one of his strongest denunciations of the United States in many weeks.

He strongly denounced President Ford and called upon Third World nations to support the oil countries against the United States. Castro's speech was delivered to cheering Cubans in Revolutionary Square in Havana and lasted 50 minutes.

Among other things, Castro charged that President Ford, in defending covert activities in Chile, had "Proclaimed openly the right to intervene by whatever means (regardless of how illicit, dirty or crude) in international processes in nations of the hemisphere."

Senators Javits and Pell, by their mere presence in Cuba at the time of that speech, gave the appearance of an overanxious American government trying to patch up things with the Communist regime 90 miles off the Florida coast.

I BELIEVE that as long as

Cuba is under Communist control and Castro retains his belligerent attitude toward this country, we should have nothing to do with the Cuban government either officially or unofficially.

It does not necessarily follow that because tensions may have been eased with Communist China and the Soviet Union that we should now run to Fidel Castro and arrange a detente.

Nothing the Cuban government has done recently leads me to believe that it has ever given up its attempt to mobilize the revolutionaries of Central and South America against our country. As a member of the

U.S. Senate, I resent the inference that two of my colleagues are attempting to arrange a re-recognition of the Cuban government at this time.

Old Farmer's Riddle: What do you take when it rains? (Answer below.)

Ask the Old Farmer: In the song "Yankee Doodle," what does the line mean which refers to a feather called "macaroni"? I have heard that macaroni was used to mock British officers during the Revolutionary War, but I am still confused. R.S., Canton, Ohio.

Macaroni is English slang, of about 1760, meaning a dude, a fop, or a poser, etc.

'Roar of Greasepaint' Opens PM&L Season

"The Roar of the Greasepaint - The Smell of the Crowd" opens this Saturday at the PM&L Theater, 877 Main Street in Antioch.

The musical production, written by Leslie Bricusse and Anthony Newley, is the first show of PM&L's Season 14. The remaining performances are to take place on Friday and Saturday evenings, Oct. 18, 19, 25 and 26. You can call 395-9702 to reserve your seats. Curtain time for all performances is 8:30 p.m.

This sprightly musical won immediate acclaim when it opened on Broadway. The PM&L production is directed by Bob Bundy, with Aileen Biel as stage manager, Rita Shields as director of music and Lyn Zaehler as choreographer. They have put together polished performances of not only the show's hit tunes, "Who Can I Turn To?" "My Way," "The Beautiful Land," and "A Wonderful Day Like Today," but also such delightful numbers as "Put It In the Book" and

"Where Would You Be Without Me?"

In song and dance these spell out "The Roar of the Greasepaint's" concern with the "Game of Life," with its constant winners, the "haves," and chronic losers, the "have-nots."

The players of the age-old game are curiously reminiscent of Laurel and Hardy. Sir, played by Dave Dagley, is the prototype of the "haves,"

LECKI-PEDERSEN

Mr. and Mrs. Brian Pedersen honeymooned in Florida after their marriage in St. Peters Catholic Church on Sept. 8.

Brian is the son of Mr. and Mrs. Alfred Pederson of Antioch and Patricia is the daughter of Mr. and Mrs.

Robert Lecki of Antioch.

The bride chose a long chantilly lace gown with an empire waist and long sleeves. The cathedral length train was made of chantilly lace and her headpiece was made of fresh powder blue and white gladiolus.

John Pederson was his brother's best man. Grooms-men were brothers, Alfred, Dean, Dale and Lloyd. Dean Pedersen, Jr., was the ring bearer.

A reception was held following the ceremony at the Illinois Beach State Park Lodge.

Both young people are graduates of Antioch Community High School.

**WALKER-ZANCK****American Legion Auxiliary**

Mrs. Everett Ainsworth of Lake Forest and Mr. John Jones, 10th District Children and Youth Chairman, have announced a joint planning meeting for all Unit Presidents,

Commanders and their respective Children and Youth Chairmen.

The meeting will be at the Legion Home in North Chicago on Sunday at 2 p.m.

Senior Power

One of the highlights of the recent Lake County Conference of Older Americans was the mandate to continue the organization which has as its goal, SENIOR POWER.

The resolution for the Lake County Council for Seniors and Lake County Catholic Charities, Co-Sponsors of the Conference, to continue their efforts was one of many passed in the General Session. Resolutions were offered from each of the workshops. Many of them were aimed at the

Department of Aging and elected officials, petitioning them to bring additional services to our needy Seniors.

The next meeting of the Lake County Council for Seniors will be held Oct. 29 at the University of Illinois Extension Office in Grayslake at 10 a.m.

Ralph Zanek claimed Joan Walker as his bride in the Lake Villa United Methodist Church on Sat., Sept. 21. Reverend Yountz performed the double-ring candlelight ceremony composed by the couple.

Joan, the daughter of Mr. and Mrs. Oliver Walker of Lake Villa, chose a gown of ivory Belgium lace with a long ivory mantilla lace veil. She carried a bouquet of white roses. Her attendants wore autumn floral printed chiffon gowns and carried baskets of autumn flowers.

Karen Walker served as her sister's maid of honor. Bridesmaids were Kathy Erickson, Gail Dulian and Linda Heller. Junior bridesmaids were sisters Wendy and Dawn Walker. Dawn Zanek was the flower girl.

Ralph is the son of Mr. and Mrs. George Zanek of Lindenhurst.

George Zanek, Jr. was best man. Don Rawhoof, Greg Locke and John Walker served as ushers.

Cheri Dalgaard and Tracy Teltz provided the special music for the ceremony.

A reception was held for about 250 people at the Lindenhurst Civic Center. The couple will make their home in Vernon Hills, Ill. upon their return from Jamaica.

The bride is a graduate of the College of Lake County Registered Nurse program and is presently employed at Condell Hospital in Libertyville. Her husband is a 1973 graduate of Augustana College and is employed at Stone Container in North Chicago.

**SCHOELZEL-PORTER**

The Reverend Donald Mc-Peek married Janet Schoelzel and Alvin Porter in a double ring candlelight ceremony on Sept. 14 in the Millburn Congregational Church.

The bride, daughter of Mr. and Mrs. Jerold Schoelzel of Antioch was given in marriage by her father.

Alvin is the son of Mrs. Roy Porter of Gurnee.

The bride wore an a-line dress of white satinessa covered with sheer marimis with approximately 75 lace appliques. She wore a long lace mantilla veil and carried a bouquet of yellow sweetheart roses and white daisies. The bride's dress and all of the attendants dresses were made by her mother.

Elaine Rynerson of Gurnee was the matron of honor, Gail

Walker a bridesmaid and Jennifer Rynerson was the flowergirl. They wore a-line, puffed sleeve dresses and carried old fashioned flower baskets.

Jerry Rynerson served as best man. Groomsman was Donald Tritz. Jeff Schoelzel and Steve Odgen served as ushers and James Schoelzel was the ring bearer.

Following the ceremony a reception for three hundred people was held in the bride's home.

After a honeymoon in Macinac Island, the couple will make their home in Gurnee.

This romance began when both of the young people were active in 4-H programs in the area.

Jaycees Need Green Stamps

Roman Vos, President of the Antioch Jaycees, has announced that the local organization has joined a statewide Illinois Jaycee campaign to raise 10,000 books of S&H Green Stamps.

Redeemed at \$2 per book, the project is planned to generate \$20,000 for the Illinois Jaycee summer camp for handicapped children, now being developed near Shelbyville.

The Antioch Jaycees' goal is 500 books.

The camp is planned for both mentally and physically handicapped children.

All S&H Green Stamps, whole books or loose, are welcome and needed. "With the declining number of people actively saving stamps we urge everyone

to dig out the old shoe-boxes and contribute," Project Chairman Bill Slater said.

Stamps should be sent to: Antioch Jaycees, P.O. Box 254, Antioch, Ill.

Tickets can also be dropped off at The Young Image or Stanley's Men's Wear.

"A class reunion is a time when old school mates get together to find out who is falling apart."

MORE THAN 100 Antioch area residents participated in Saturday's American Cancer Society Bike-A-Thon. Some youngsters raised more than \$600 in pledges for their tours around the 7-mile course. One lad rode 70 miles and another went around six times for 42 miles.

★ Your Police and the Community

By SUE SEDIVEC
Community Relations Officer

Since June 1 of this year the newest member of the Antioch Police Department has been serving the community as a patrolman.

Our new officer, George J. Gialds Jr., previously gained police experience with the Great Lakes Security Police before coming to the Antioch department.

George's hobbies include piloting, auto and truck mechanics, computer programming, fishing and hunting. He also attends the full-time law enforcement program at the College of Lake County.

George feels that a responsibility of a police officer is to help inform the people as to how the law can work for them.

Officer GIALDS FEELS THERE IS SOME GOOD IN EVERYONE: YOU JUST HAVE TO FIND IT. His attitudes toward young and old are equal but their actions dictate his attitude. The innocent must be protected and the guilty punished.

Officer Gialds feels that

Antioch has great possibility for growth and is a nice place to live.

He advises town businesses to keep all windows locked, to bolt doors for security and to contact the police department regarding any change in routine.

I'm sure by now that Officer Gialds has become familiar with many facets of life unique to our Antioch community. George will do the best he can for the interest of law enforcement here.

FIRE PREVENTION WEEK

lasts all year long.

Safety-minded homeowners make sure that heating systems are in good condition and that electrical circuits are not overloaded. They practice good housekeeping, too, so that fires can't find a place to start.

Most important, for the safety-minded, Fire Prevention Week lasts all year long.

ABC's Of Travel

By BARB CORBIN

With the various fare increases, the following question is being asked more often: "Why is it less expensive to fly with a charter airline than with a scheduled operator?"

Charter airlines base their prices on the full utilization of their aircraft seats and on the knowledge that if all of the seats are not filled, they do not have to operate. The financial conditions for scheduled air transportation are different. Charter operators thrive on existing markets in areas where a demand already is established. Their advertising and promotional expenditures are low. Scheduled carriers spend much more money on promotion for developing tourism and other forms of travel which contribute to the national economy of individual countries.

Furthermore, it is unrealistic to expect scheduled airlines to fill more than 60 to 70 per cent of their seats on an average annual basis. There is generally a lower utilization of mid-morning or mid-afternoon flights. There is, by comparison, a pronounced demand for Sunday travel on some flights. On the North Atlantic the seasonal demand varies

widely - especially heavy eastbound in June and westbound in August. This is reflected in the higher fares of scheduled airline transportation. It is the price for maintaining regular timetables and sufficient capacity to assure that passengers and cargo are not frequently turned down for lack of space on a given flight on a specific day.

The scheduled airlines are governed under the fare agreements of IATA (International Air Transport Association) for international and ATC for domestic carriers. They all have various promotional fares of which your local travel agent can be of great help to you. Not always is the less expensive route the best way to go. If the charter airline brings you back from your destination, then it was a bargain; but if your return is cancelled - there goes the bargain. You end up paying

your own return and in some cases could cost as much as your entire vacation. Before signing up for anything, check with a bona fide travel agent so you will have a happy vacation to remember and not nightmares. Happy traveling.

A NATIONAL FIRE PREVENTION WEEK WARNING

FIRE PREVENTION IS YOUR JOB TOO

**Do your part
by observing
these simple
safety rules...**

1. A HOT TIP!

A cigarette burns at 1,325 degrees, so next time you casually throw away that "Butt," be sure it's out!

2. PENNIES TO HEAVEN!

Fuses are for your protection. Under NO circumstances should you ever place pennies behind fuses!

3. NO SQUEEZING!

Do not place electric cords in door jams. Squeezing cords like this will break their protective covering.

4. SURE HOT FOOT!

Never run cords under rugs. They become worn quickly and you are not aware of their dangerous condition.

5. WHOOSH!

Don't leave oily rags in a pile. Keep greasy rags in a metal container to prevent dangerous combustion.

6. HANDY HELP!

Keep fire extinguishers in good working order and place extinguishers in vital spots where they are ready to use.

7. ONE DOLLAR!

Will buy ten thousand matches but ONE MATCH can destroy your family. Keep matches out of the reach of children.

FIRE PREVENTION WEEK

✓ REMOVE HAZARDS
✓ MAKE ESCAPE PLANS
✓ BE PREPARED

Today, as never before, firemen need your help.

Approximately 1400 homes burn each day in the United States. Every year, almost 12,000 people die as a result of fire. Most of these fires could be prevented. Most of the lives lost to fire could be spared. But to prevent the tragic loss of lives and property, your fire department needs your support.

The fireman of today is better equipped, better trained, more professional and dedicated than ever before. But he needs your help. The prevention of fire is not just the responsibility of firemen—it is the duty of every person in the community. Fire prevention is your responsibility.

You can help. How? Start by eliminating fire hazards in your home and by preparing your family for a fire emergency. Know how to get out of a burning home quickly and safely. Know how to call your fire department.

Visit your local fire station. Your firemen will gladly help you devise a fire prevention plan for your home. They'll help you look for, and eliminate, home fire hazards. Get to know the men whose profession is protecting your family from the danger of fire.

You'll sleep better each night with the knowledge that you have taken all possible measures to eliminate the danger of fire in your home. And if fire should strike—and you know what to do—you may spare your family the tragedy too often experienced by others as a result of fire.

PASS PROTECTION was one of the bright spots in Antioch's loss to Lake Zurich Saturday. As Jon Bodin (13) ran back to pass, the line was holding off the defense and Mike Jones (33) and Karl Blumenschein (23) were among Bodin's protectors. Bodin completed seven tosses for 70 yards. SPORTS

Sequoits Start Fast, But Lose to Lake Zurich

The only trouble with last Saturday's Antioch-Lake Zurich football game was that it lasted too long.

For one quarter it was super. Antioch's Sequoits went right out and seized a 6-0 lead.

But they wound up losing to the bigger Lake Zurich team, 29-12.

This Saturday it's Wauconda. The Sequoits will play there at 2 p.m. and, because they now have a 1-4 record they will be the underdogs. Wauconda is another big, strong team.

ANTIOCH HAD practiced on blocking punts last week and that's just how the Lake Zurich game began.

Speedy Karl Blumenschein rushed through the Lake Zurich defense in the first quarter blocking a punt on the 19-yard line. It was recovered in the end zone by Mike Jones and the Sequoits enjoyed a 6-0 lead.

But alas and alack Lake Zurich charged for three touchdowns in the second quarter

and Antioch trailed 21-6.

THE THIRD QUARTER belonged to the Sequoits, however. Jones, a 165-pound senior halfback crashed through the Lake Zurich line and went straight up the middle for 65 yards and another Antioch touchdown. That closed

the gap to 21-12 until Lake Zurich put the game out of reach with eight points in the last period.

Coach Nelson hopes his offense will be tougher at Wauconda. For one thing, halfback Dave Moore, a

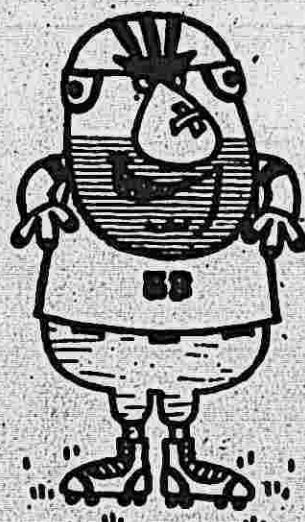

breakway threat, may be running again. He has been sidelined for the most of the last three games with a thigh injury.

Defensively, Nelson had considerable praise for his Sequoits last Saturday.

Frank Pleviak did another

good job," the coach said. "Dave Bogarts was scrappy; he recovered a fumble, and so did Dave Kisner."

"On offense, I think Bodin did a heck of a job," Coach Nelson said. "And Ed Gromola did a good job of blocking."

ANTIOCH VIKING LIGHTWEIGHTS

The Antioch Lightweights scored an impressive 21-0 victory over Fox Lake Sunday. With Mike Caithamer quarterbacking, Andrew Dziki running and Mark Krueger and Dave Writowski catching passes, Antioch proved to be tough. On defense was Tom Melhorn, Mike Fish and Jack Fields.

Fans Coming Close In Football Contest

Forecasters in the Antioch News Football Contest are getting awfully good.

Many of them came close last week in predicting the score of the Antioch-Lake Zurich game.

won by Lake Zurich 29-12.

Both Mike Perrone of 338 Harden St. and A.M. Wilson of Highwood, Ill., said Lake Zurich

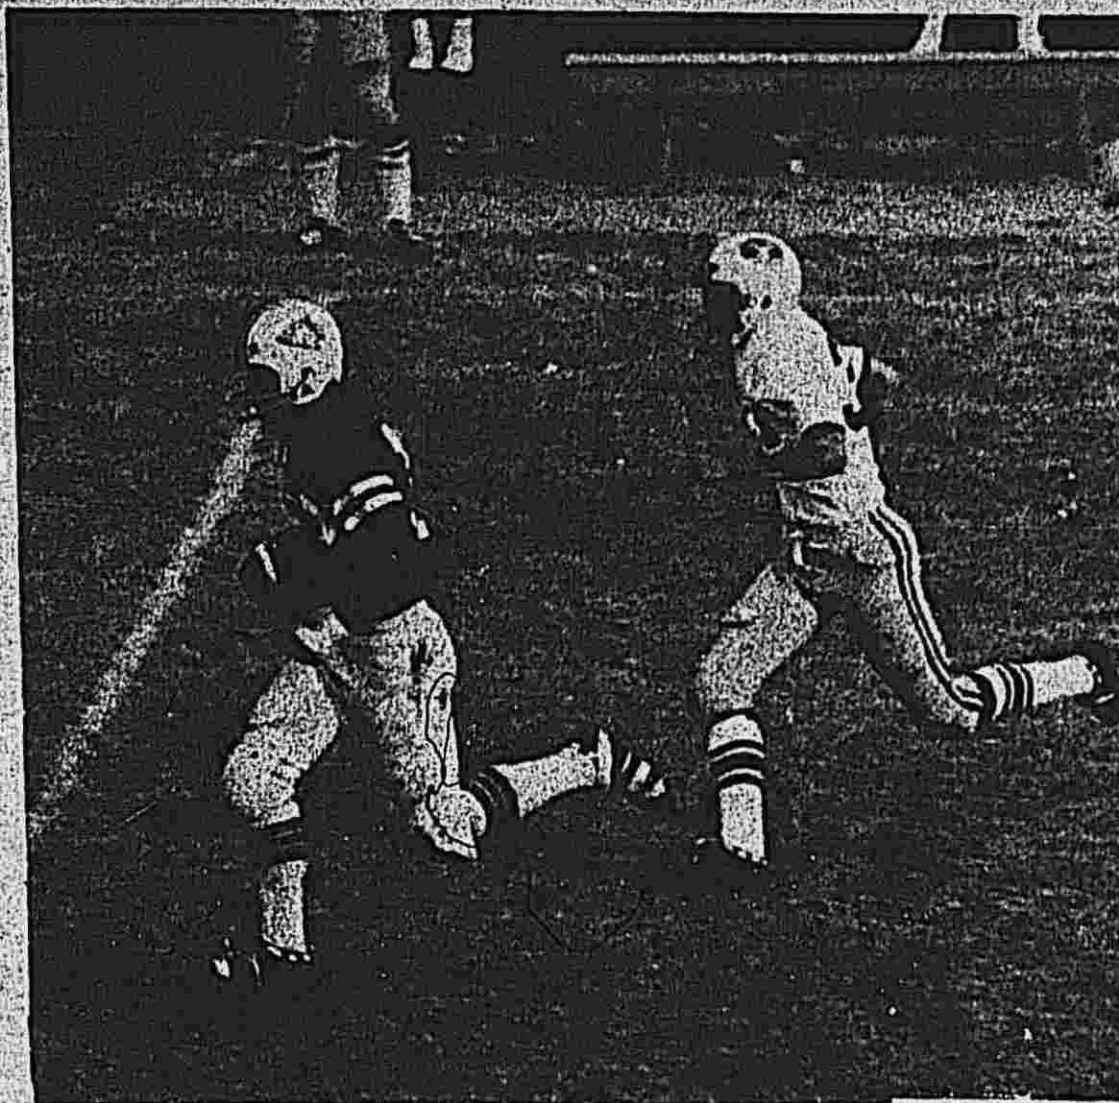

would win 24-7. In other words, they picked the 17-point margin right on the head.

Mr. Wilson came closest on the score of the Chicago Bears-New Orleans game and, therefore, wins the \$15 first prize.

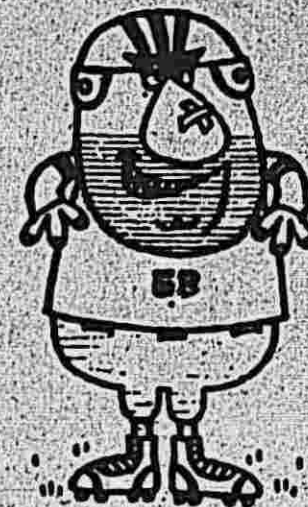

Mike will receive second prize, a \$10 gift certificate at Four Squires.

Third prize, a \$5 gift certificate at BJ's Fashions for Men, was won by Shayne Schroeder of 63 Timber Lane, Lindenhurst, who picked Lake Zurich to beat Antioch 25-6.

Another contest appears in today's Antioch News.

SO LONG -- Antioch's Mike Jones ran straight through the Lake Zurich line and got away for a 65-yard touchdown run last Saturday. Although the Sequoits lost 29-12, performances such as this gave Antioch fans reasons to cheer.

ANTIOCH HEAVYWEIGHTS

The Antioch Heavyweights lost a heart breaker in three overtimes. The score at the end of regulation was 0-0. Antioch scored first in the overtime, then Fox Lake scored. Antioch failed the next try and Lakeland scored to end the game.

Lino Alteri, Gene Lehn, Bill Ranker and Mike Mahoney played outstanding ball for Antioch.

Frosh Crush Rival, 34-0

For the second game in a row, Antioch's freshman football team won handily, beating Lake Zurich 34-0 last weekend.

It was the third win for the young Sequoits and the third shutout. The team has lost twice.

Antioch scored on the third play as halfback Kenn Rosenbrock scampered 40 yards for a touchdown. He then tacked on a two-point conversion.

In the second quarter Tom Dixon ran over from one after a Lake Zurich punter was tackled before he could get off his kick.

Rick Brown then scored on a pass from Rosenbrock, good for 18 yards. Antioch led 22-0 at halftime.

The Sequoits' last two touchdowns came in the fourth quarter. Tom Huebner sliced four yards to paydirt and Jim Crutchfield scored on a 28 yard screen pass from Al Roth.

In the 16th century, the Americas were considered to be a small island in the Atlantic!

Punt, Pass & Kick Winners to Crystal Lake

Winners of the local Ford Motor Company's annual Punt, Pass and Kick Contest sponsored by Lyons and Ryan Ford-Mercury dealers were:

1st Place - Gold Trophy: Daniel Berkiel, 8; Tommy Adams, 9; Carl Amundsen, 10; John Schmidt, 11; Dave Froom, 12; Scott Gallagher, 13.

2nd Place - Silver Trophy: Matther McGrain, 8; Brad Herbst, 9; Paul Sertic, 10; Dean Berkiel, 11; Ron Nauman, 12; James Sertic, 13.

3rd Place - Bronze Trophy: Jim Webber, 8; Phil Aschbacher, 9; Derek Osen, 10; John Domkowski, 11; Mike Ksioszk, 12; Mike Caithmer, 13.

First place winners in each age group will go to Crystal Lake this Saturday morning to compete in the area Punt, Pass and Kick contest. The winners from this contest will go on to state competition held in Chicago.

FLIGHT FACTS

Did you know that:

Flying isn't just for the young. Although the largest number is in the 25-29 year old bracket, nearly 20 percent of the private pilots qualified for their licenses after age 40. About 15,000 private pilots are over 60 years old.

Flying isn't just for the rich. Sixty percent of today's private pilots earn less than \$20,000 a year.

The cost of learning to fly is about equivalent to a winter's skiing or country club dues, according to Piper Aircraft Corp.

A small Piper single engine airplane travels two to three times the speed of the family automobile and at 14 to 18 miles per gallon.

Sequoit Sophs

The Antioch Sophs lost a disappointing 36-0 home game to the Bears from Lake Zurich Saturday afternoon.

Antioch played the perfect host giving up two touchdowns on pass interceptions and one on a recovered fumble.

Lake Zurich was able to mount one drive of seventy yards in 13 plays. All other touchdowns were offensive errors by the Sequoits.

The loss of Antioch's two breakaway threats Rich Bailey

and Wally Waraf, hurt Antioch's chances of mounting a sustained offensive drive. Antioch was forced to give up the ball three of the four times it had it the first half because of penalties. When forced to play catch-up, the inexperience of the sophomore quarterbacks was evident.

Next week Antioch plays Wauconda at noon at Wauconda. Monday the sophs B's play the Waukegan B team at Antioch.

Fun Football Feasts

With the cooler weather coming in, a man's (and often a woman's) fancy turns to thoughts of football! Gridiron madness is in the air, with almost everyone having a favorite team from neighborhood, group to school squad to pro, so a pre- or post-game party is a great time to gather the group.

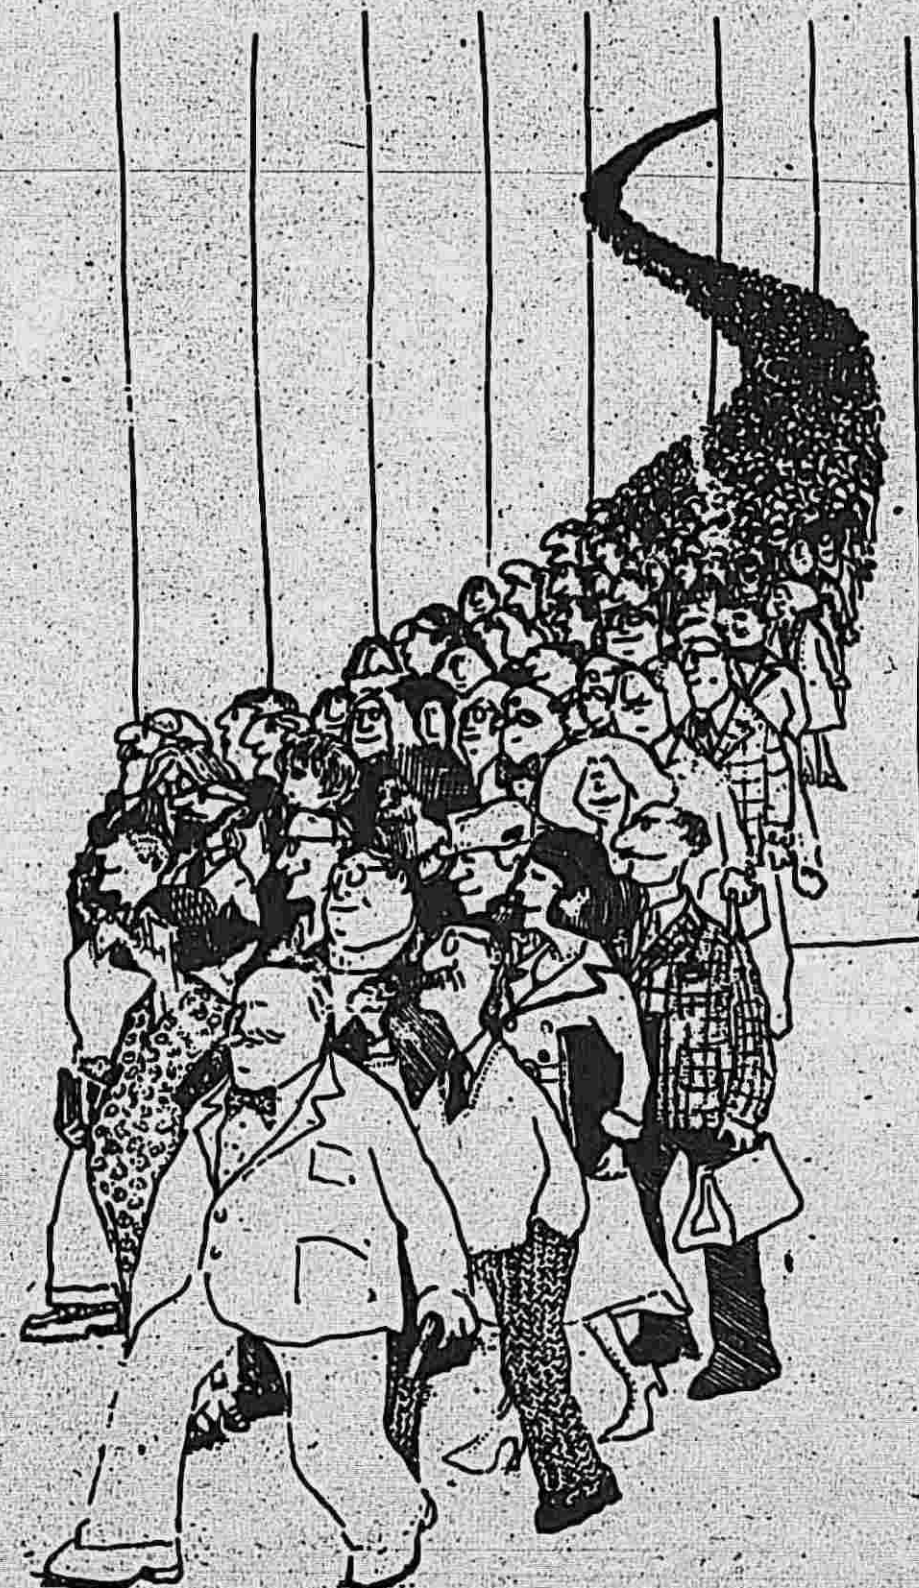

A good game plan might include armfuls of cut chrysanthemums, pots of savory chili, late-season shellfish or spicy meatloaf topped with mozzarella, well stuffed into long, line-man-sized sandwiches. All that crisp air and

exercise, even if it's only on TV, can really spark appetites. To complement your touchdown celebrations you'll probably want a wine that's soft, fragrant, medium dry and can go with any kind of food. Blue Nun is the white wine that's always correct with any dish, anytime. It's sure to score with guests, tailgate picnickers and even glassy-eyed Monday night television viewers.

The breakfast will be served on Sunday, Oct. 20, from 8 a.m. till 2 p.m. in the First National Bank's Community Room.

4-H Week Displays

Oct. 6 through the 13th is National 4-H week. Various clubs have displays in the windows of Antioch stores. There also will be displays in the lobby of the First National Bank.

Sequoit Suzies

The Sequoit Suzie 4-Hers elected new officers for the 1974-75 season at their meeting last Tuesday. At the helm will be Lynette Hamlin, vice-president, Debbie Wilson secretary, Karen Klean, treasurer, Patti Gross, sergeant-at-arms, Laurie Miller and reporter, Rosemary Scheske, Committee chairman are Rosline Scheske, program Jill LeVoe, recreation, Julie Ann and Suzanne Fritz, community involvement, Nancy Koziol, tour and Patti Gross, 4-H week.

The club will have an exhibit at the Antioch Library for the month of October.

Six new members were enrolled in the club. Plans were made for working on the 4-H pancake breakfast sponsored by the First National Bank of Antioch on Sun., Oct. 20.

Studded Snow Tire Regulation

In Illinois the use of studded snow tires is not permitted before Nov. 15, and they may not be used after April 1.

Indiana laws permit studded snow tires only between Oct. 1 and May 1.

Other Midwest states permit the use of studded snow tires during the following time periods: Wisconsin (Nov. 15 to April 1); Michigan (Dec. 1 to April 1); Iowa (Nov. 1 to April 1) and Ohio (Nov. 15 to March 15).

Minnesota continues to ban studded snow tires entirely, but gives a 30-day grace period to non-residents traveling within the state.

Other states prohibiting the use of studded tires at all times include Florida, Hawaii, Mississippi, Louisiana and the Province of Ontario in Canada.

After this winter Wisconsin and Michigan will be among the states prohibiting the use of studded snow tires at all times.

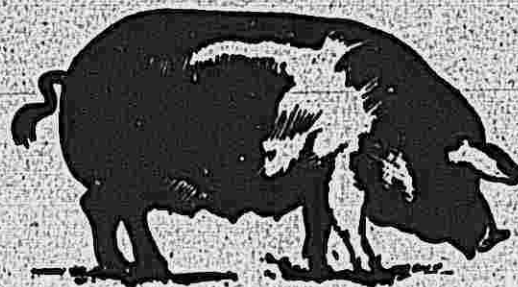

4-H Pancake Breakfast Is Oct. 20

Lake County's 4-H clubs are looking forward to Sunday, Oct. 20

That's when their pancake breakfast will be held at the First National Bank's Community Room.

Serving time will be from 8 a.m. until 2 p.m. and tickets are now being sold -- adults \$1.25 and children under 12 years of age for only 75c.

The First National Bank of Antioch has donated a pig, purchased at the County Fair's 4-H Livestock Sale. The sausage and bacon will be served with the pancakes and the rest of the

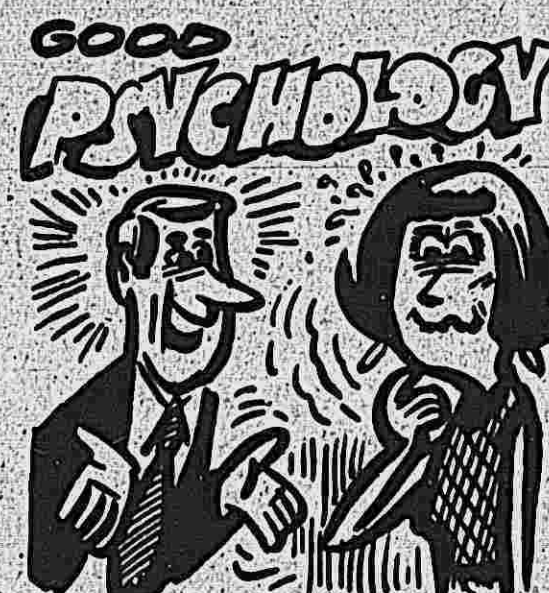

meat -- hams, roast, chops and ribs -- will be given away as door prizes.

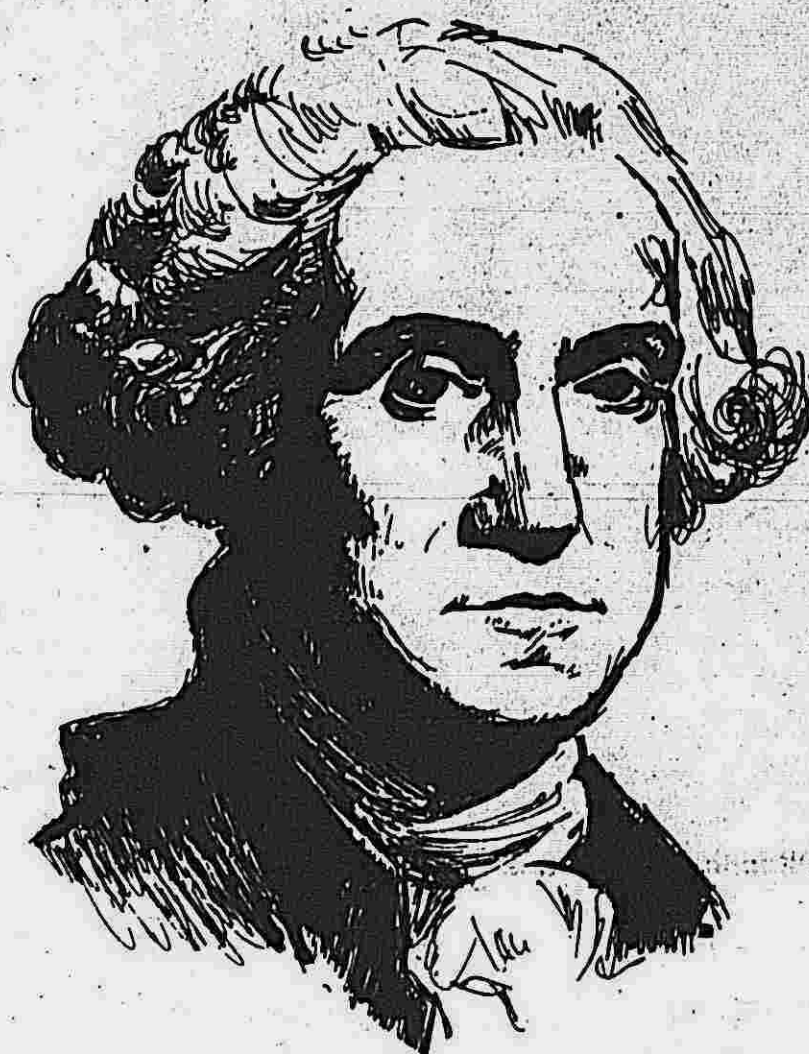

Cindy Russel, president of the federation, needs several 4-H members to help make pancakes and serve breakfast. Her phone number is 815-385-3878. Anyone needing tickets to sell, or volunteering to help, should

call Cindy or Bill Messerschmidt at the extension office, 223-8627.

Don't forget that date: Sunday, Oct. 20. Take the family to the 4-H breakfast at the Community Room of Antioch's First National Bank.

CHRISTIAN SCIENCE CHURCH

In the Bible in St. Luke 7 we read how Jesus restored the only son to his widowed mother, after he was pronounced dead. This is described and taught in the Lesson-Sermon this week entitled "ARE SIN, DISEASE, AND DEATH REAL?"

From SCIENCE AND HEALTH WITH KEY TO THE SCRIPTURES by Mary Baker Eddy, we read "We must hold forever the consciousness of existence, and sooner or later, through Christ and Christian Science, we must master sin and death. The evidence of man's immortality will become more apparent, as material beliefs are given up and the immortal facts of being are admitted."

Members of First Church of Christ, Scientist, BEACON HILL, Rt. 173 and Harden, Antioch, Illinois invite the public to come to the Sunday services held at 11 a.m. All are welcome, and care for children is provided.

"ALCOHOLISM - FREEDOM IS POSSIBLE."

Listen this Sunday to the Christian Science Radio Series for some interesting insights on this question.
